### **USA FOOTBALL 7on7 - Built by High School Coaches for High School Coaches**

*USA Football's 7on7 program was built by high school coaches with the core principles centered around professionally organized and managed events featuring high quality competition with top high school programs from each region, certified high school officials and a high volume of games allowing for maximum repetitions.*

*USA Football believes in supporting and celebrating high school football coaches and their teams. Our 7on7 program is offered exclusively for high school based teams where we provide them with the opportunity to compete and develop through premier 7on7 tournaments. High school teams can expect professionally run 7on7 competitions where teams compete and train together.*
