STATE ASSOCIATION WORKSHOPS TRAVEL SUBSIDY

The subsidy is based on the number in a state association’s delegation who attend both the Region IV Workshops and the Region IV Hall of Fame/Awards dinner. The subsidy comes into play if that number is greater than the state association’s number of votes (determined at the end of the previous year). If that is the case, then the state association will be entitled to reimbursement for those extra attendees (not to exceed 3). For each such attendee, Region IV will reimburse the state association:

- (a) Up to 2 nights lodging at the host hotel’s basic room rate for this event of \$134 per night plus applicable taxes (exclusive of any other charges such as hotel parking) and
- (b) Airfare up to \$150 (and for the Alaska and Hawaii associations up to \$100 more to the extent the airfare was more than \$700).

Payment of the subsidy is subject to the state association providing reasonable documentation of the hotel expenses and airfares as reasonably requested by the Region IV Treasurer.

TEAM SUBSIDY FOR PARTICIPATION IN REGION IV NATIONAL AMATEUR CUP PLAYOFFS

Region IV will pay a subsidy of \$200 to each team that (A) enters the 2017 Region IV National Amateur Cup playoffs and (B) plays its scheduled games and otherwise behaves reasonably at that event. Region IV will pay an additional subsidy of \$1,500 to the team that wins the 2017 Region IV National Amateur Cup playoffs, attends the 2017 USASA National Amateur Cup finals, plays its scheduled games and otherwise behaves reasonably at that event. Any issues that arise relating to qualification for or payment of any subsidy will be resolved by the Region IV Executive Committee.

TEAM SUBSIDY FOR PARTICIPATION IN USASA SOCCER FEST

Region IV will pay a subsidy of \$300 to each team that (A) enters the 2017 USASA Soccer Fest to be held in Murfreesboro, TN, whether as an established team that is registered to a state association league or as a team put together for the Soccer Fest, and (B) plays its scheduled games and otherwise behaves reasonably at the event, if at least half of the players on that team reside within the Region IV geographical boundaries as determined from the team's roster for the event (if available from the USASA office) or by a confirmation of the team manager. Any issues that arise relating to qualification for or payment of any subsidy will be resolved by the Region IV Executive Committee.
