## Message from the General Manager

What a great ice season at Riley Rink! As we head down the homestretch, there are still plenty of reasons to stop by and check out what's going on. February has several BBA hockey games scheduled and Northshire Hockey Association will be hosting state play-off games next weekend. Public skate sessions continue to be busy with our lack of snow. In just a few weeks, we will be rolling out the turf and beginning our indoor turf season. Make sure to swing by on a Sunday afternoon. Ten different high school girl's field hockey teams compete in a fun-filled in-house league. Want to take this time to thank all of our ice user groups. It is one big family for 4 months. I think a lot of families spend more time at the rink than at home! Until next time, stop by, say hi and we'll "see you at the rink"

Jon

## JISP

Friends and Families:

This week is our fifth week of JISP and the children are having a blast! Everyone is ice skating beautifully and many are learning and accomplishing their backward skating and cross overs skills among many others.

Many Students have already moved up to the next level and more will move up over the next three weeks. This year we've added a Learn to Figure Skate and Learn to Play Hockey advanced class to the JISP curriculum and next year we hope to add a pre-school and/or adult class to the program. I want to thank everyone for supporting Riley Rink by participating in the JISP program.

Riley Rink WILL HOLD CLASSES on February 9th while Skiing is cancelled. Skating JISP classes are cancelled the week of February 15<sup>th</sup> and 29<sup>th</sup>.
