

# Clearview Lacrosse Club

Established 2001

Dear Friends and Community Sponsors,

Lacrosse is currently the fastest growing sport in the United States as well as the oldest known team sport in North America. Lacrosse is a unique combination of speed, skill, agility, grace, teamwork, finesse and historical significance. Basketball inventor James Naismith called it, "the best of all possible field games."

Clearview Lacrosse Club, an all-volunteer organization, was established in 2001, as a non-profit 501c-3 organization to provide our community with a place for the youth to play lacrosse. The club started with a single 7-8<sup>th</sup> grade team with 30 boys and has grown today to over 260 youth boys and girls players. Our mission is to actively develop participation in lacrosse while preserving and expanding the integrity of the game.

We have grown along with our community. To keep our program affordable, we are reaching out to our local businesses in an effort to generate corporate sponsorship funds. Your contribution will go directly towards needs and expenses such as updating old equipment, adding new equipment, maintaining our fields, providing financial assistance to families that cannot afford registration fees and covering annual costs.

We realize that the successful and prominent businesses of our community have organizations calling on them constantly. Because of that fact we have several levels of donation and participation. The following page will explain the different levels along with our commitment to your business. An additional benefit is that your donation to our organization is tax deductible. Please help us realize our goals of a successful program for the youth of our community to grow and prosper. I hope our partnership will last for many years to come. Do not hesitate to call or email questions at 856-981-9268 or [amy\\_collins26@hotmail.com](mailto:amy_collins26@hotmail.com).

Sincerely,

Clearview Youth Lacrosse Board
