Welcome to Fogerty Arena

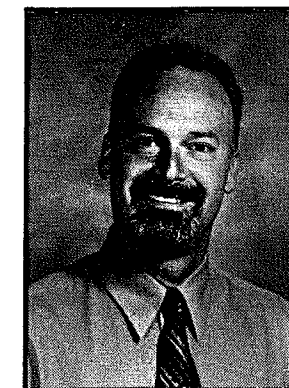

Dear Bengal Hockey Fans,

One of the best stories in high school athletics has been the growth of women's hockey. Not only has the number of teams grown, but so has the quality of play in any given contest. The Blaine Women's Hockey program has been a big part of this. Those of you who are close to these athletes know the commitment they have made to their sport. This commitment deserves our admiration and support. In the same way that our athletes have worked to present their very best to us in this contest, let's all work to present our school and community as the model for sportsmanship to all who attend our games.

Here's to a great season!

Go Bengals!

Dear Bengal Hockey Fans,

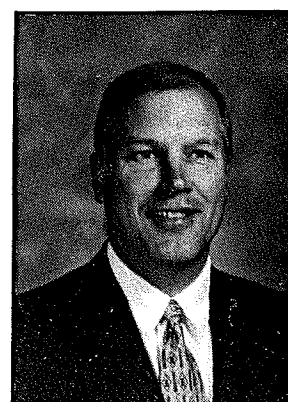

Welcome to Fogerty Arena for another great season of hockey. Thanks for joining us tonight and for being a part of developing a tradition of women's ice hockey at Blaine High School. Coach Bydlon and her staff have been hard at work preparing for the 1999-2000 season and we hope you enjoy the contest.

Those of you with daughters, sisters, and granddaughters on the team deserve the special thanks for your support and encouragement over the years of your hockey player. Your continued support through your attendance here today is further evidence of the tremendous enthusiasm our community gives to Blaine High School activities.

Please join me in continuing to provide strong and positive support for the student-athletes who represent all of us. Enjoy the game.

Go Bengals!

A MESSAGE FROM THE COACHING STAFF

Welcome to Fogerty Arena Home of the "Blaine Bengals". The 1999 - 2000 season which features a very young, talented, and determined team looks to be a season full of excitement and drama.

The Bengals have always been known for their never ending persistence, determination and desire to do "WHATEVER IT TAKES" to reach their ultimate goal. Because of their strong work ethic and willingness to commit themselves to excellence the Bengals are consistently ranked among the top teams in the STATE each season. The Pride that is exhibited through each player has been handed down through the years becoming a traditional mainstay.

The Bengals play in the Twin Cities Suburban Conference. It is considered to be one of the toughest conferences in the state and has created many natural rivalries. The Twin Cities Suburban Conference has sent 4 teams to the State Tournament in each of the past 3 seasons. It has produced Two State Champions, and Two Ms. Hockey recipients as well as the first ever Ms. Hockey goalie recipient. This year's conference, in keeping with tradition, will feature the same high quality players that it has produced in the past and looks to produce a number of top candidates for the 1999 - 2000 Ms. Hockey Award.

Thank you for joining us for this game and being a part of our winning tradition. Please show your enthusiasm and positive support as you sit back and enjoy the game.

GO BENGALS!!

Christa is the 1st product of our youth program elected as captain for the 1999 – 2000 season. She was elected by her peers because of her “lead by example” personality, her determined spirit and tenacious play. Christa, along with a number of returning letter recipients, spent her summer working to improve herself in the weightroom, in dryland training, and, in the Metro Community Olympic Development Program. Through those dedicated efforts these athletes have increased the level of performance for our entire program.

Her talents are diverse in other areas as well. She has led the team in many fundraising activities such as: Car washes, plant sales, concessions, and ad sales all of which provide this team with the most up to date equipment. Christa has also shown her leadership skills by assisting with our youth try-outs and helping these teams throughout their seasons. She is very active in her community and in her spiritual following. Christa has taken on the roll as captain in a very mature manner.

Christa’s talents are not limited to the rink or the community, she also excels in the classroom. Christa boasts a 4.58 cumulative GPA and posted a 4.75 GPA this fall term. She has attended honors classes throughout her entire high school career and she is ranked 3rd in a class of 718. She will be seeking nomination to the National Honor Society this spring as a Junior.

With credentials such as these you can clearly see why Christa’s peers chose her to represent this years team as captain.
