### 2016 SPRING SEASON EDITION 2

#### A NOTE FROM THE B.O.D.

The Galaxy Game was so much fun! We hope that you all enjoyed it with your families & friends.

This weekend is the Ground Breaking Ceremony at Orangewood Park. We are super excited to finally see this happen. We are asking for everyone's support and look forward to seeing all of you there.

Please remember to follow all of the field rules and to leave a clean area after your game. There are absolutely **no animals** allowed on the fields.

Please make sure to have your Ids and Game cards at every game. If you have the first game of the day, your team is required to set up half of the field which includes lining it. If you have the last game of the day, your team is required to tear down that includes dumping the trash.
