

NJDYHC FAMILY TREE FUNDRAISER

Nothing symbolizes a family more than a Family Tree. The New Jersey Devils Youth Hockey Club invites you to join our family by becoming part of our Family Tree. For a small donation, you will be part of a thriving organization that is committed to creating an atmosphere that fosters player self-confidence, develops high self-esteem, encourages a team concept and builds strong character.

The NJDYHC is a 501(c)3 organization and has approximately 450 players in our family, fielding teams from age 4 through 18, as well as sled hockey, for our physically challenged players.

Your generous support:

- Helps our tradition of providing the best youth hockey experience
- Helps the environment
- Is critical to our commitment to fund our Sled Hockey and Financial Aid programs
- Is only \$10.00

Specifically, you will receive for your donation of:

- \$10.00 donation, 1 tree will be planted
- \$25.00 donation, 3 trees will be planted
- \$50.00 donation, 7 trees will be planted

An actual Family Tree will be commissioned and will include the names of each and every family member/donor commensurate with donation level.

Here's how you can help us right now:

- Go to: <http://www.mcssj.com/store/thefundraisingtree/donations/njdyhc-development-mites>
 - An email will be sent to you acknowledging your generosity and will contain a link that explains the tree-planting process. It's a win, win, win!
1. You support the wonderful youth of the NJDYHC
 2. You become part of our growing family
 3. You help the environment by planting a tree(s) in a global reforestation project.
 4. Upon receipt of your donation, an email will be sent to you containing a link and a code that you click on. Simply choose the global reforestation project you wish to support, enter your code and a tree will be planted on your behalf. It's that easy!

So if you can spare 5 minutes and \$10.00, please click on the link above. Your support is truly appreciated. Thank you and welcome to our Family! **This fundraiser closes on Sunday, June 5, 2016.**

Sincerely,
NJDYHC -

"The Devils Youth program was a great experience for me. My years there were a huge part of me being able to move on in my hockey career. The coaches and my teammates are people I still keep in touch with today and a lot of whom still run the Devils Youth program. From playing on the Quebec peewee tournament team up until midget u16, everyone there had an influence on the type of player and person I am today, and without a doubt I owe a lot of my success to the years I spent playing at the Devils Youth program"

- Kyle Palmieri - #21, NJ Devils
