**FOR IMMEDIATE RELEASE:**

**FIRST ANNUAL FIELDS OF ROCK MUSIC FESTIVALS  
*VICTORY PARK OHIO AND GRABBIT START ROCK FESTIVAL SERIES***

**North Ridgeville, OH** - Chagrin Falls' own GRABBIT, Inc., maker of the GRABBIT guitar stand and other problem-solving music accessories, and Victory Park Ohio (VPO), a 60+ acre multi-sport and entertainment facility, have partnered to bring the first ever Fields of Rock Festival Series to Cleveland's west side. Fields of Rock is dedicated to showcasing prominent young talent and top local acts in order to promote the development of the music industry in Northeast Ohio.

Sean Samson, President of GRABBIT, said, "We're really excited to team up with the folks at Victory Park Ohio. It's an unbelievable complex that provides the perfect venue for this type of festival. There are a lot of great shows and festivals that come through Cleveland in the summer months, but they don't always cater to everyone including families. GRABBIT and Victory Park Ohio expect the 'Fields of Rock' series to be one of the very few shows of this type where people of all ages can go and enjoy awesome music, fun activities and awesome food all at a very reasonable price."
