

Congratulations Riley Zuhn!

Riley Zuhn is NORCO'S 16 Black's outside hitter and recently made a verbal commitment to the 2015 Division I National Champions, University of Nebraska for her future collegiate career. Riley is a four year NORCO player, starting in the 5th grade at the age of 10. Riley is the youngest NORCO player in our 31 years as a club to make a verbal commitment to play for a Division I collegiate program. Riley will celebrate her 15th birthday on May 22nd and will be a Cornhusker in the Fall of 2019 under Head Coach, John Cook. Riley is considered one of the top recruits in the nation and was named to PrepVolleyball's Frosh 59!

Congratulations Riley and parents! We are so proud of you and honored to have such a great family in our club!

NORCO's Spring Fling a Success!

A special THANK YOU to all those who attended our First Annual Spring Fling last Friday. We raised more than \$5,900 to maintain our facility as the best in Colorado. Everyone enjoyed a

fun, casual evening with a lot mingling with families and coaches. A HUGE thank you to the planning committee of Marlou VanDeList, Leslie Taylor, Crystal Osthoff and Michelle Yeager.

Spring Middle School League April 25th - May 27th

NORCO's Middle School League is designed for the beginner to intermediate volleyball player and is open to both club and non-club members. This is a great opportunity to freshen up on your skills, get lots of touches and play with old friends or meet new ones! This league is suited for players who are or will be in 6th - 8th grade.

NORCO provides a lead instructor as well as high school aged coaches for teams, should they need one! This is important at this level because we want to provide instruction as well as team play.

During the registration process you will have the option to sign up as an individual, request a team, or request to play with a friend! Practices will be Mondays from 4:30 - 6:00 pm and matches will be Fridays from 6:00 - 7:30 pm. The 2016 league will run Monday, April 25th through May 27th.
