OWNERSHIP

David & Wendy Dworkin

Both Mr. and Mrs. Dworkin have lived in Rochester for more than 20 years, and are both honored and respected members of the city's business community. As proud residents, they are looking forward to continuing the success the Rhinos found throughout the club's 20th Anniversary season in 2015, when it claimed its fourth league championship.

"The league has been extraordinary," said Mr. Dworkin. "The USL's leadership has been accessible around the clock as we moved toward this agreement, and we are delighted to take ownership of one of the great clubs in the modern history of soccer in the United States. Rochester has been a wonderful city for Wendy and I, and we are looking forward to great success on and off the field for the Rhinos in the future."

The Managing Partner of LLD Enterprises and a partner in JADD Management, David Dworkin is also a minority owner in the NBA's Sacramento Kings. He received his Bachelor of Arts degree from Syracuse University in 1991 and in 1995 he received a Masters of Science Degree in Real Estate from New York University. A former winner of the New York State Commercial Realtor of Year award, (NTSCAR) Mr. Dworkin was a charter member and past State President of the New York State Commercial Association of Realtors and was the Founding President of its Rochester Area Chapter, a position he held for three years. In 2009, Mr. Dworkin became the

youngest recipient to receive the Rochester Area NTSCAR Lifetime Achievement Award.

In 2006 Mr. Dworkin received a two-year New York State legislative appointment to serve as a member of the New York Board of Real Estate and was reappointed every two years thereafter. Mr. Dworkin is also a member of the board of Greater Rochester Enterprise, a non-profit organization that provides assistance to companies looking to move to the region.

A third-generation native of Rochester, N.Y., Wendy Dworkin is a Partner in LLD Enterprises, and earned a Juris Doctorate from Benjamin Cardozo School of Law, Yeshiva University after earning a bachelor's degree at Syracuse University. Mrs. Dworkin also was recognized in the Rochester Business Journal's 40 under 40 in 2002, and in addition to her work for LLD Enterprises, serves as Vice Chair on the Board of Trustees of the Rochester Museum and Science Center and is a former Co-Chair and founding board member of the Young Leaders Club of the United Way of Greater Rochester Inc.

STADIUM UPGRADES

Entering the 2016 season, the Rhinos remained focused on enhancing the fan experience and the match conditions within the stadium. In doing so, multiple key elements required immediate attention and investment from the ownership as well as the City of Rochester.

As you enjoy your game day experience, upgraded amenities can be found in many areas with a centralized theme of premium options for everyone. Whether merchandise, concessions or seating, the opportunity to enhance your experience is available.

TURF PLAYING SURFACE

The Rhinos will compete on the premier pitch within the North American sports landscape.

The new pitch surface is FIFA approved and will be tested upon completion for certification. The project included the replacement of more than 110,000 square feet of turf and the displacement and replacement of more than 1,012,000 pounds of infill. Throughout the process, the pitch also received grade and drainage improvements to improve playing conditions in all weather.

VIDEOBOARD

New to the Rhinos' experience is the addition of a high-definition videoboard located above and behind the southern goal.

The LED video display is manufactured by industry leading Daktronics and features an active area 18' tall by 33' wide, equating to 594 square feet.

The new videobard will provide the Rhinos with the capability to enhance the fan experience through player introductions, corporate partner promotions and short-form video and graphic content designed to provide information in a graphic manner.

PREMIUM SEATING SECTIONS

New for the 2016 season, fans can enjoy the action of a match from a whole new perspective through field-level seating and the Golden Rhino Club.

Golden Rhino Club

As a member of the Golden Rhino Club, season ticket holders have access to reserved seating in section 107, Rhinos Club access with complimentary food and water, a Rhinos premium gift, access to exclusive events, merchandise discounts, parking discounts and access to the ticket redemption program.

Field Seating

Catch the action up close with field seating available for all Rhinos home matches. Patrons of the field seats receive complimentary food and beverage service, in-seat delivery, access to exclusive Rhinos' events and discounts in parking and merchandise.
