Football: The age limit has been set so that Varsity players can't be older than 14 ½ even if they are in 8th grade.

Cheer : It has been voted to add stunting in instructional and freshmen levels with limitations. There will be an invitational cheer/ pom competition and they are determining if it will be held on a Saturday or a Sunday.

Treasurer: all bills paid

Cheer Equipment: 10 girls need to be sized

Football Equipment: Helmets will be going out soon for reconditioning.

Events Manager: Working on a face book event and still working on the gold outing.

Volunteering: 1 family is still unpaid.

Registration: The draft under old business.

Old Business:

Registration: The draft was certified by Carlo, Mike W and Robert and done by Jim fro LCAJFL. There are 4 freshmen that will be bumped up or dropping, so 4 teams at 16 and 1 at 17 players.

We will be looking at a contraction plan- the bylaws include a minimum number of players per team and we have been below that number so we need to look at future plans for contracting a team.

New Business:

We need to look at insurance for the coming year and Jason will collect the data and then present it to the board. There are two companies for insurance and it is USA football and AYF.

Practice will have contact limitations- this is something that LCAJFL is looking into and it would limit the amount of contact that can occur during practice time.

Motion to adjourn 8:10pm by Carlo seconded by Alison . Motion approved
