

The Inaugural P.Y.H.A. Golf Outing

When: August 28th 2016

Where: Weaver Ridge

We are pleased to announce the 1st ever golf outing to benefit the Peoria Youth Hockey Association. As you may well know, hockey can be an expensive sport to play. The P.Y.H.A. board does a tremendous job of being cost effective. This is very important, especially at the younger age groups. We need community support to keep these programs as affordable as possible. In a sport where teamwork is paramount, it is also teamwork within the community that grows the great game of hockey. Thank you for your time and we hope to see you on the links.
