

Albany Athletics Boosters Contribution Form

Raising Funds! Raising Spirit! Supporting all Sports in Albany!

Due to budget cuts, voluntary contributions are needed to support the athletic budget in Albany. Therefore, we are requesting a voluntary contribution from all students participating in athletics for the 2017-18 school year. 100% of these contributions will be used to cover the basic expenses of officials, equipment, transportation, uniforms, maintenance and coaching stipends. It is our sincere hope and desire that this athletic contribution causes no hardship to your family. For this reason, we will accept any and all athletic contribution amounts. For us to sustain our programs, the amount requested is **\$225/AHS, \$140/AMS** per athlete, per season. Please include your contribution with this form and return it to the Main Office/Athletic Office.

Contributions will not be processed until final rosters have been set for each team. Checks/contributions will be returned to those who do not make the team.

We always appreciate and recognize voluntary contributions from our parents and community members. Your generosity helps support our educational goals and programs and services for students. Please understand that any contributions are truly voluntary and your student's ability to participate in a school activity is never conditioned on making a contribution.
