Dear CDA Slammers FC Orange families,

We at CDA Slammers FC* are thrilled to start this exciting affiliation with your club and community.

Our shared goal is to be the best youth soccer club in the country. Our success over the last several decades is based on our ability to develop distinguished athletes, exemplary students and upstanding young adults.

Our program emphasizes player development for all ages and all skill levels through: technical skill, tactical awareness, confidence, determination, sportsmanship, team play, character development, and academic excellence. Each player is challenged in a dynamic, competitive, and fun environment and is encouraged to make decisions under the guidance of a qualified coaching staff. These aspirations are fostered by a professional and collaborative coaching staff, dedicated to the club, each team and each player.

We are excited to work with Premier program director Erick Hurtarte, who will also be an Executive Director within the CDA Slammers FC family, Premier technical director Kevin Esparza, and all of the coaches transitioning from Orange County Premier. Our directors and coaches are connected at all levels, operating under an integrated training philosophy and playing style. This creates a consistent learning environment for our players. The consistent use of club colors, logo, and style provides each member with a sense of belonging and we strive to promote and provide a family environment within the club and organize intra-club activities to create a family atmosphere. Walid and Ziad Khoury, Directors of Coaching of Slammers FC, are equally delighted that OJSC is joining the CDA Slammers FC family.

We look forward to working together to provide the children in our community with the resources they need to reach their full potential, on and off the field. Welcome to the CDA Slammers FC family!

Sincerely,

Alex Camargo
