Year in Review- Jason will send an email out to the communities to remind them that if a family has already paid at one school they don't have to pay at another. Coaches all received a card that is to be punched at away games for admittance so they no longer have to pay only 6 per team. The Cd at east is scratched so the national anthem will have to be played on people's phone over the pa system.

**New Business:**

6 Play rule- There is concern that some kids are not getting playing time because coaches are using kick off and kick return towards the 6 play rule. There was a discussion among the board members about making it so that these plays don't count as 6 plays. After much discussion Michelle made the motion that kickoff and kick return do not count as plays for the 6 play rule If passed the rule will go into effect immediately. Sean seconded the motion. Vote yes 6 no 3. Motion passed

Field Availability- East's competitive band will need the field until 3 pm. Jason will talk to the director and see if they can work things out.
