Requests for specific coaches will not be accepted. Coaches as well as members of the association have the right to select players / teams to guarantee that North Branch will have competitive teams. Players need board approval to play up. Board approval does not guarantee a spot on the team and may be based on try-outs, if tryouts are conducted at all or any specific grade level. The board reserves the right to adjust level of play decisions at any time based on registration numbers, finalizing team rosters, or other applicable factors.

Traveling Basketball involves the following:

- 1.) **Player Participation:** A commitment by each player to be at all or as many practices as possible is required. Coaches should be informed of any absents, as early as possible, so practice plans can be modified if needed. Practice participation is not an option and coaches will have the right to reduce a player's playing time because of practice participation, effort and ability.
- 2.) **Fund Raising and tournaments:** The North Branch Court Club, as an organization, holds a fund raiser to minimize costs to players. Any additional fund raiser for specific teams must be approved by the association prior to conducting any fundraiser. Any funds raised by a team can assist in offsetting costs for that team. Fundraising funds not used during your North Branch Court Club Basketball participation are nontransferable and non-refundable and will become part of the association.
- 3.) **Additional fees:** The North Branch Court Club pays for up to 4 tournaments for any 3rd or 4th grade team and up to 6 for 5th thru 8th grade teams as part of the player registration. Any additional tournaments will be paid by the player's family prior to the first game of that additional tournament.
- 4.) **Playing time:** Although the North Branch Court Club wants to develop players at all age levels, traveling Basketball is set up as a competitive level of play. The playing time of players will be the sole responsibility of the head coach and will be based on practice work ethic and the ability of each player to ensure teams are competitive.
- 5.) **Final Decision:** The North Branch Court Club and its board members have the final say in matters that need to be addressed or considered.
