CREATING YOUR SPONSORSHIP BANNER

Consider the two available methods for creating your sponsorship banner:

1. TEMPLATE DESIGN

Print-ready artwork at 72" x 36", with logo, web address and/or phone number plus any background color from the PANTONE® Coated color chart (as close as can be printed to the specified color). Proofs (in PDF format) will be sent to the sponsor for approval before printing. ***If artwork is not print-ready and image preparation is required, there will be an additional \$17.50 charge, to be paid by the sponsor.**

2. CUSTOM DESIGN *(additional fees apply)*

Custom-designed art charge will be \$75, payable directly to our designer, for creating the design and making up to 2 revisions of the artwork at the request of the sponsor. The sponsor will be referred directly to our freelance designer in order to minimize miscommunication.

ARTWORK REQUIREMENTS:

- Logo must be provided as a high resolution PDF file, originally created in vector-based design software (Adobe Illustrator, InDesign or Corel Draw). JPG format or Microsoft files are not acceptable.
- Accurate website address (if used)
- Accurate phone number (if used)
- Make note of any required branding standards
