

SHEFFORD SPORTS PARK (POTVIN) FIELD LAYOUT

The City of Ottawa has named this area, the **Shefford Sports Park**. The Fields are still named the Potvin Fields using their location as opposed to field number, so if you are checking with the City on-line, they are referred to as Potvin Fields NW, SW, SE, NW, and Mini Fields N, C and S. These fields are located at 750 Green Creek Drive. You may park in the lot provided on Green Creek Drive, just before the Robert Pickard Centre, or along Canotek Road and Green Creek Drive (watch for no parking signs). You may **NOT** park in any business parking space where the parking spots have a designated business name attached – **even if there is no car in the space**. Police and/or City Inspectors have been ticketing over the past couple of years.
