# **Introduction, Definitions & Types of Abuse**

## **Introduction**

High Plains Hockey is committed to improving the skill development, the safety and the welfare of our athletes. The SafeSport Program is designed to provide clear guidelines and expectations for all players, coaches and organization members on:

1. abuse or misconduct prevention strategies
2. appropriate behavior
3. effective response to concerns

Unfortunately, youth sports can be a place where misconduct, including child physical and sexual abuse has the potential to occur. This HPHL approved document will provide the guidelines for appropriate behavior in hopes that the risk of abuse will be minimized. These measures, while aimed at protecting youth, also serve to better protect adult coaches and volunteers.

## **Definitions**

### **Child, Children, Player, Athlete, Minor and Youth**

Anyone under the age of 18

### **Child Physical Abuse**

Abuse or Child Abuse or Neglect means an act or omission that threatens the health or welfare of a child in one of the following categories:

- Skin bruising, bleeding, malnutrition, failure to thrive, burns, and fracture of any bone, subdural hematoma, soft tissue swelling, or death and:
  - The condition or death is not justifiably explained.
  - The history given concerning the condition is at variance with the degree or type of such condition or death.
  - The circumstances indicate that the condition may not be the result of an accidental occurrence.
- A controlled substance is manufactured in the presence of a child, on the premises where a child is found, or where a child resides.
- A child tests positive at birth for either a schedule I or II controlled substance, unless the child tests positive for a schedule II controlled substance as a result of the mother's lawful intake of such substance as prescribed.

### **Child Sexual Abuse**

Child sexual abuse involves any sexual activity with a child where consent is not or cannot be given. This includes sexual contact with a minor that is accomplished by deception, manipulation, force or threat of force regardless of whether there is deception or the child understands the sexual nature of the activity. The sexually abusive acts may include sexual penetration, sexual touching, or non-contact sexual acts such as verbal acts, sexually suggestive written or electronic communications, exposure or voyeurism.

### **Emotional Abuse**

The terms 'abuse' or 'child' abuse or 'child neglect' include any case in which a child is subjected to emotional abuse. 'Emotional abuse' means an identifiable and substantial impairment or a substantial risk of impairment of the child's intellectual or psychological functioning or development.

### **Misconduct**

Conduct which results in harm, the potential for harm or the imminent threat of harm. Age is irrelevant to misconduct. There are six types of misconduct in sport: emotional, physical, sexual, bullying, harassment and hazing.

### **Peer to Peer Sexual Abuse/Misconduct**

Approximately 1/3 of all child sexual abuse occurs at the hands of other children and the obligation to report extends to peer-to-peer child sexual abuse. Peer-to-peer sexual abuse covers sexual activity between children without equality or as a result of coercion, physical force, threats, trickery or emotional manipulation to elicit cooperation. There can be an aggressor, age difference or an imbalance in power or intellectual capabilities.

### **Grooming Behaviors**

Grooming is the process of desensitization that predators use on children to prepare and trick them into accepting sexual abuse. Grooming is a way for the perpetrator to gain trust and confidence and draws the victim into a secret sexual relationship. Grooming can include but is not limited to: targeting a victim, isolation, meeting the child's needs, giving a child special attention, buying gifts and having power and control over the child.

### **SafeSport Program**

The Olympic community's initiative to recognize, reduce and respond to misconduct in sport.

### **USA Hockey SafeSport Program**

A set of Policies and Procedures that assist organizations in the prevention of child abuse and misconduct as well as required training; screening and background check program; reporting and responding policies; and how to monitor and supervise. For more information on the USA Hockey SafeSport Program visit <http://www.usahockey.com/SafeSport.aspx>.

### **CAHA SafeSport Program**

A set of Policies and Procedures at the state level created by Colorado Amateur Hockey Association (CAHA) aimed at the protection of its' players, members, staff and volunteers in the prevention of child abuse. All CAHA Members, Leagues, Associations and Independent Teams must adhere to the Program.

### **CAHA SafeSport Coordinator**

The CAHA SafeSport Coordinator is responsible for monitoring Association and Team compliance with the USA Hockey SafeSport Program and CAHA SafeSport Program.

### **High Plains Hockey SafeSport Program**

A set of Policies and Procedures created and implemented by the High Plains Hockey League (HPHL), aimed at the protection of its' players and members. All HPHL members, participants, staff and volunteers must adhere to the SafeSport Program Handbook.

**HPHL SafeSport Coordinator**

HPHL SafeSport Coordinator duties will include monitoring the training of local program administrators and others within the League. The Coordinator will serve as the initial contact for persons reporting suspected abuse, misconduct or other violations, compiling information on disciplinary issues within the League and, when appropriate, reporting such information to USA Hockey.

## **High Plains Hockey League Code of Conduct**

HPHL is fully committed to safeguarding the welfare of all players and members of the organization. It recognizes the responsibility it has to promote safe practices to protect players from abuse and misconduct. HPHL has adopted clear guidelines and protocols to minimize the opportunity for child sexual abuse and to help staff, volunteers and parents recognize inappropriate or undesirable behavior. HPHL is committed to embrace differences and diversity and respect the rights of all players and members and will follow these guiding principles:

- The welfare of each player is the primary concern.
- The rights, dignity and worth of all players should always be respected.
- All players, whatever their age, culture, disability, ability, gender, language, racial origin, socio-economic status, religious belief, sexual identity or skill level have the right to protection from all forms of abuse or misconduct.
- HPHL will work in partnership with parents, players, staff and volunteers to promote the welfare, health and development of our players.

High Plains Hockey will:

- Promote and implement the USA Hockey and CAHA SafeSport Programs to safeguard the well-being of its' players and to prevent abuse and misconduct from occurring.
- Recruit, train, support and supervise staff, members and volunteers to protect players from abuse and to reduce risk to them.
- Require staff, members and volunteers to adopt and abide by the USA Hockey, CAHA and HPHL SafeSport Programs.
- Respond to any allegations, disclosure or concern of misconduct or abuse of a player as stated in CAHA SafeSport and USA Hockey SafeSport Programs.
- Regularly monitor and evaluate the implementation of the SafeSport Program and make any necessary changes.
- Have open and regular communication with parents or guardian(s) of a player regarding any concerns or issues.

## Electronic Communication Guidelines

High Plains Hockey League understands that social media is a popular communication tool for players, parents and coaches. HPHL is also aware that social media is a venue where inappropriate behavior and misconduct can occur. The risk associated with social media include: inappropriate access, sharing personal information, bullying, unwanted and unsupervised contact between adults and children, receiving unwanted material, online grooming for sexual abuse or actual unlawful sexual exploitation.

Failure to comply with CAHA SafeSport Program or USA Hockey SafeSport Program guidelines can result in disciplinary action. HPHL has a **zero** tolerance rule when it comes to player safety and preventing abuse and misconduct.

### Texting, Email and Similar Electronic Communications

If it is necessary for a coach or staff member to send a direct text message or email to a player, the following guidelines must be followed:

- A parent (or guardian) **must** be copied
- It must be signed so it is clear as to whom or what organization is sending the message. Just using the number or email address for identification is not sufficient.
- It should be non-personal and for the purpose of communicating information about team activities
- It should never include or contain offensive, sexual or inappropriate language or photos
- The time of day and the number of messages sent should be considered
- Records should be kept of every coach's current cell number and email accounts

When a player feels the need to text or email a coach or staff member, the following guidelines must be followed:

- A parent (or guardian) **must** be copied
- It should be sent only with information regarding the organization or team or club activities

### Social Media (Facebook, MySpace, Blogs and Similar Sites)

- Coaches are not to have contact with players on any social media site, except for the team public Facebook page.
- Players are **never** to post pictures of other club members or players that can be hurtful or embarrassing.
- Players are **never** to post pictures of other club members or players without their written (text or email) permission.
- Protecting the identity and privacy of all HPHL players is required. Do not post last names or other identifying information at any time.
- Players and parents can "friend" the official High Plains Hockey League page and league staff can communicate to players through the site. The communication must be open, transparent and professional in nature and for the purpose of communicating information about league activities. Social media sites should not be used to abuse or criticize the organization, members or players.

## Locker Room Guidelines

High Plains Hockey wants all players to be safe on and off the ice. HPHL is also aware that the locker rooms provide a place where abuse and misconduct can occur. Players are particularly vulnerable in locker rooms due to various stages of dress and undress and because players are less supervised. Player to player issues such as sexual abuse, bullying, hazing and harassment often occur when players are not supervised.

Adherence to Locker Room Guidelines can reduce opportunities for misconduct and abuse. It will also allow for a fun and safe place for players while still holding to hockey traditions. HPHL asks that players and coaches follow USA Hockey and CAHA SafeSport Program guidelines at all times.

**High Plains Hockey League Policy: Phones and/or electronic equipment which can take video, pictures, and/or record are NOT to be taken into the locker room and will NOT be used in the locker room.**

HPHL requires all players and coaches to report to the HPHL SafeSport Coordinator any and all misconduct, abuse or violations immediately.

### Player Behavior

- Locker rooms and showers should be used by same aged peers when possible, no mixed gender allowed.
- Opposite sex players should be provided separate changing and showering facilities.
- The showers are for showering only. No horseplay, urinating on others, physical contact, sexual activity or other forms of misconduct is allowed.
- No bullying, hazing, harassment, fighting, locker boxing.
- Players are not permitted to touch other player's genital area or their own in a way that will make others uncomfortable.
- Video recording devices including voice, still camera, video or phone cameras are prohibited.
- No pornographic materials are permitted in the locker room.
- Nudity is kept to a minimum. After showering players are asked to dress quickly.
- No drugs, alcohol or other illegal substances are allowed.
- No physical contact between players in a sexual nature is allowed.
- The locker room is not a place to criticize or humiliate teammates.
- Showering and changing at the club/organization is optional.
- No displays of affection.

### Coaches Behavior

- The locker rooms need to be directly monitored during all team events by one responsible adult, approved and screened by the local organization. The adult should supervise conduct, observe behavior, and make sure only approved team personnel and family members are allowed in the locker rooms.
- If a coach needs to speak to an individual player in the locker room, the door must remain open or another coach or parent must be present.
- Coaches should have a separate place to change and shower. Coaches are never to be nude among players.

## Hazing, Bullying and Sexual Harassment Guidelines

High Plains Hockey feels strongly that hazing, bullying, sexual harassment, initiation rituals and physical punishments are not permitted within the organization. **Any form of misconduct by the team, coach or an individual in attempt to bond or take action against another individual or group of individuals, which results in abuse, harassment, intimidation or any form of degradation is not allowed by any player, coach, volunteer or member of HPHL.**

Players and coaches are also **required** to follow the USA Hockey and CAHA SafeSport Hazing and Bullying Guidelines.

## **Physical Contact Guidelines**

It is sometimes appropriate and necessary to have direct physical contact with players in order to develop their skills. These guidelines have been created to provide practical guidance for High Plains Hockey coaches and those working directly with players to keep players safe and promote a safe environment for staff and members. Rules for physical contact must be set to reduce the potential for misconduct. Players, coaches, volunteers and organization members are required to follow these guidelines and to report immediately those who violate them.

### **Appropriate Physical Contact**

- Physical contact takes place in public or in the presence of others
- Physical contact for the purpose of developing skill or technique
- Physical contact with no potential for physical or sexual intimacies during the contact

## One on One Guidelines

If HPHL coaches choose to offer private lessons, the organization will require they follow these guidelines.

HPHL expects all coaches to abide by appropriate player/coach conduct. High Plains Hockey mandates that coaches put player safety first and always be aware of their own actions and behaviors and the possible consequences. All staff and volunteers should be encouraged to demonstrate exemplary behavior in order to promote each player's welfare and reduce the likelihood of abuse. High Plains Hockey believes that private lessons can take place in a way that does not put the player or coach at risk.

- All HPHL members will follow USA Hockey and CAHA SafeSport Program Guidelines
- Follow USA Hockey and CAHA SafeSport Photographic and Recorded Images of Players Guidelines
- Follow USA Hockey and CAHA SafeSport Physical Contact Guidelines
- Always work in open environments visible to others

- Private lessons are to be held at appropriate locations and times. No lessons will be held at places or time(s) that could cause confusion about the purpose of the lesson or the nature of the relationship.

# Travel Guidelines

High Plains Hockey recognizes the importance of travel for competitive hockey teams and expects respectable and mature behavior for our participants both home and away.

**All travel to games, practices, or other High Plains Hockey League functions are to be arranged by and are the responsibility of player parents. HPHL does NOT make any travel arrangements for teams or players. Team Managers will negotiate team rates and team activities during travel but parents and players are NOT required to stay at the team hotel or participate in team activities.**

The following guidelines are a requirement for players who wish to travel with their team. Any violation of these guidelines will result in disciplinary actions. Coaches and players are to report any violations, to the HPHL SafeSport Coordinator immediately.

## Player Behavior

- Travel guidelines must be agreed upon and signed by players before travel is permitted

- Roommates will shower alone and allow for privacy of others when changing
- Guests other than teammates are not allowed in player's rooms

- When a player is traveling without parents, coaches are required to notify a player's parents before taking disciplinary action, other than playing time during a game
- Besides coaches, another adult should be present and assist with child safety issues and the welfare of the children during travel

## **Billeting Guidelines**

High Plains Hockey League does not billet players.

## Responding To and Reporting Abuse Concerns

High Plains Hockey believes it is the responsibility of all members, staff, volunteers, parents and players to report concerns of abuse or misconduct.

It is NOT the league's responsibility to decide the credibility or validity of a report of concern, only the responsibility to report it.

The league should not attempt to evaluate or investigate the report or be concerned with false reporting, but to respond appropriately and swiftly to avoid further distress to the victim. Everyone at HPHL is required to report any and all concerns regarding sexual abuse, physical abuse, emotional abuse, bullying, hazing, coach misconduct, player misconduct and any other forms of inappropriate behavior immediately to the appropriate investigative agency and HPHL SafeSport Coordinator. USA Hockey and CAHA SafeSport Program guidelines are to be followed when reporting and responding to abuse.

### Reporting Policy

It is the policy of USA Hockey and CAHA SafeSport Programs that every employee or volunteer of any USA Hockey sanctioned program must report:

1. ***Suspicions or allegations of child physical or sexual abuse.*** They are to be reported to the appropriate agency, either law enforcement authorities or social services agency
2. ***Actual or perceived violations of the USA Hockey and CAHA SafeSport Programs.*** They are to be reported to USA Hockey, CAHA and Local SafeSport Coordinators.
3. ***Any violations of CAHA policies prohibiting emotional abuse, sexual harassment, bullying, threats and hazing.*** They are to be reported to the appropriate Member and CAHA SafeSport Coordinators.

Any report of misconduct or suspicions of child physical abuse or sexual abuse will be taken seriously and handled appropriately. All league members are to take concerns of abuse or misconduct to the High Plains Hockey SafeSport Coordinator who will take appropriate action. The actions of the SafeSport Coordinator will be documented and shared with the HPHL Board of Directors. A staff member or volunteer may contact law enforcement themselves and then notify the HPHL SafeSport Coordinator immediately.

A report must be made when the reporter suspects or has reason to believe that a child has been abused or neglected, or when the reporter has knowledge of, or observes a child being subjected to, conditions that would reasonably result in harm to the child.

Concerns, suspicions or suspected "grooming" behaviors are to be reported immediately to the HPHL SafeSport Coordinator.

### Responding to Concerns

There are a number of reasons a person might need to report a concern:

- In response to something a young person has said - a disclosure
- In response to signs or suspicions of abuse
- In response to allegations made against a league member, staff or volunteer
- In response to allegations made about a parent or someone not working within the league

- In response to bullying or hazing
- In response to violating USA Hockey and CAHA SafeSport Procedures
- Observation of inappropriate behavior
- In response to anything that makes the reporter uncomfortable based on inappropriate behavior by an adult or player

**It should be clear, even if the incident occurred outside of HPHL, it should still be reported to authorities.** Know that authorities have professionals trained in interviewing child victims about abuse and it is not HPHL's job, so do not attempt to interview any child about a disclosure.

### **Always:**

- Stay calm
- Reassure the person reporting concerns, that they have done the right thing
- Don't judge
- Listen carefully, take it seriously
- Write down exactly what the person reporting concerns says using his or her own words
- Ask open-ended questions only to clarify, who, what, where and when
- Let the person reporting concerns know you have to tell someone
- Report the incident to appropriate authorities
- Let the person reporting concerns know what your next steps are and who you will be sharing the information with
- Fill out the appropriate forms

### **Never:**

- Panic
- Show disbelief
- Project your own reactions onto the child
- Make promises you can't keep or assure confidentiality
- Make the person reporting concerns repeat the information unnecessarily
- Delay in reporting to your supervisor and local authorities
- Make assumptions
- Approach the alleged abuser
- Take sole responsibility for the information you have
- Try to investigate the allegations
- Make negative comments about the alleged perpetrator
- Share personal information about you or your child
- Probe for more information

### **Record:**

- The full name, age, date of birth, home address and telephone number of the person reporting the concern
- Any time, date or relevant information
- Who the concern is regarding

- Using the reporter's words, give an account of what happened
- Document any visible injuries
- Document your next steps
- Document date of time of informing the HPHL SafeSport Coordinator
- Document date, time and who you spoke to at the law enforcement or social service agency

## **Confidentiality**

To the extent permitted by law, and as appropriate, HPHL will keep confidential the complainant's name on request, not make public the names of potential victims, the accused perpetrator or people who made a report of physical and sexual abuse to the authorities.

## **Immediate Suspension or Termination**

When an allegation of abuse or misconduct is made against a staff member, player or coach, that individual will be removed from interaction with players immediately and the organization will cooperate with the investigation and conduct its own internal investigation, if necessary.

No one is assumed guilty based upon a reported concern, but player safety is paramount, therefore suspensions are appropriate until the investigation(s) is complete.

## Hiring Guidelines

When hiring a new staff or volunteer person to work within the High Plains Hockey organization, we will include child sexual abuse prevention screening into the general screening process. This process is for all adults and youth who are looking for employment or volunteer positions within the organization. HPHL will not make exceptions for applicants familiar with the organization or who are past employees.

While no screening can identify every potential child abuser, you can reduce the risk by learning all you can about an applicant; most importantly their interest in working with youth. HPHL believes that that the SafeSport Program will deter coaches who may be at risk for abusing players from applying with the league.

High Plains Hockey League will follow USA Hockey and CAHA SafeSport Screening Programs, conduct background checks and check new hires against the National Sex Offender Registry List.

All coaches, managers and board of directors with direct contact with players are required to register online with CAHA every year for the screening and background check process. Parent Volunteers, Locker Room Monitors, Team Drivers, and Travel Chaperones have direct contact with players and CAHA also requires them to go through screening and background checks. HPHL is required to obtain and monitor the screening for these folks at the local level. Parent Volunteer, Locker Room Monitor, Team Drivers, and Travel Chaperones DO NOT register with CAHA.

### Educate Applicants

- Share your child safe policy and procedures, including USA Hockey, CAHA and HPHL's SafeSport Programs, with all applicants. This will let them know the dedication to child sexual abuse prevention and might deter some applicants.
- Share all Codes of Conduct.
- Inform applicants that signature and full participation of the SafeSport Program is required.
- Ask if applicant has any problems with the SafeSport Programs or Codes of Conduct.
- Ask what type of supervision the applicant prefers to work under?
- Question the applicant with specific scenarios regarding child safety. Look for appropriate responses that fit your policy and procedures.
- Document commitment to SafeSport Programs

### Questions for Potential Employees

- Describe what appropriate behavior around youth is, how physical contact should happen and what are appropriate adult/youth boundaries?
- Tell me about your relationship with children? Adults?
  - *Here you are looking for healthy child and adult relationships.*
  - *Who does the applicant prefer to spend time with?*
- What do you enjoy doing with children?
  - *Does the applicant describe doing normal activities with youth? Or does it appear excessive?*
- How do you see your role in the lives of children in our program?
- Have you ever been disciplined for your behaviors toward children?
- Has anyone ever misunderstood or questioned your relationship/behaviors with children?
- Is there anyone who might suggest you not work with youth? Why?

- Is there an age or gender you prefer to work with?
  - *Having a specific age or gender can be a red flag. Ask follow up questions for clarification.*
- What other hobbies and activities do you enjoy?
  - *Does this include children or does she/he enjoy normal adult activities?*
  - *Does the applicant have adult relationships as well and enjoy adult activities?*

## **Taking and Use of Photographic and Recorded Images of Players**

High Plains Hockey wants to promote fun hockey activities and information about the league and/or its' players through photographs, recorded images and videos whether on our website or through print. To do this in a way that ensures the safety of players and members, HPHL has safeguards to protect inappropriate use of images or recorded images. (This includes the use of a camera, digital camera, video recorder, mobile phone or personal digital assistant device or other recording device.)

There are risks posed directly and indirectly through the use of photographs and recorded images. These images can be used as a means of identifying players thus leaving them vulnerable to people who wish to “groom” them for child abuse or possibly provide information to estranged parents. Also, the images themselves can be used, modified and shared among the offender population. To avoid misuse, HPHL requires the following guidelines be adhered to.

- Ask for parental permission prior to use of a player’s image. Be clear with parents as to how the image will be used and stored (see parental consent form).
- Never publish personal data (email, phone, home address or other information) of a player without signed consent form.
- Only use images of players suitably dressed to reduce the risk of inappropriate use.
- When recording a player for teaching purposes or recruiting needs, care should be taken in storing such recordings and who they are shared with.
- Members should be vigilant and report any unknown individuals who are recording or photographing league members.
- Members also need to report any concerns regarding inappropriate taking or publishing of photographs or recorded images.
- Report any violations.

### **Hiring a Professional Photographer**

- Have the photographer sign the volunteer Code of Conduct and read this guideline.
- At large events, all parties interested in taking photos should register personal details with HPHL.
- Provide clear guidelines about expected behavior and content of the photography.
- Photographers must wear identification, provided by HPHL, at all times.
- Do not allow photographers unsupervised access to players or one-on-one photo sessions without parent permission.
- Do not approve photo sessions outside events or at a participant’s home.
- Ensure the images taken reflect the positive aspects of hockey and the league.
