## FC GREELEY Youth

**CORPORATE SPONSORSHIP  
ANNUAL PACKAGES**

FC Colorado is not merely a youth soccer club offering a fun soccer experience. We are that and more. We are a development academy helping bring Dreams to Life!

FC Greeley provides opportunities for a path to a higher standard of living. Players can obtain a Master's degree with little or no debt using soccer as a platform to develop in three critical areas: Soccer, School, & Social. This path will also create opportunities for other choices such as a military career or business ownership.

Players are introduced to FC Greeley via FREE Cub Club Clinics at their Elementary schools and can join Pre Academy teams as young as 8 years old. They then play in our Academy Select Program through High School. After which they have the opportunity to join our UPSL semi-pro team program!
