## Rain Out Procedures

These procedures are intended to give coaches guidance on postponing and rescheduling games in the event of rain or inclement weather.

It is important to give adequate notice when postponing games to avoid the cost of paid umpires and to be respectful of the time and efforts of chow hut personnel, volunteer umpires, and grounds crew.

**All game postponements:** Home team coach must notify the Concession director (Brenda Lacey – [blacey1@rochester.rr.com](mailto:blacey1@rochester.rr.com) / 747-9393) so that chow hut resources can be adjusted.
