

HallMarks Club Pledge Form

Help tell the rich history of North Carolina's unrivaled sports heritage...from the heart of stock car racing to college basketball on famed Tobacco Road, and all the milestones and newsmakers in between.

The HallMarks Club is made up of people who have a special interest in helping to foster, promote and preserve our state's remarkable sports heritage. Donations are used to manage the Hall's annual operating costs, produce our events, and maintain our permanent exhibit at the N.C. Museum of History.
