

Oklahoma Energy FC Payment of Dues Policy

This policy is developed to allow each team to function within the budget they have established based on the number of players who committed to the team for an entire year and to keep the team and the Oklahoma Energy FC financially solvent.

This policy is effective immediately and will be enforced for the soccer season

1. Dues for each month is due by the 5th of the month for 12 month
2. If dues for the month are not paid by the 10th of the month the dues is increase by \$10.
3. If one month behind in due payment a “payment due notice” will be sent with a due date. You will have till that date to pay all fees to be considered current.
4. If payment is not received by the due date on the notice the player will be benched until full payment of current and back dues is received.
5. Coaches will be made aware of the financial status of each player prior to all games/events. So that above will be enforced even if this means teams playing short.
6. Books are open and complete financial statements with status of each player’s payment history are encouraged
7. If fee’s to the club, which are the fees to Oklahoma Energy FC and the monthly Coaching fees, are not paid by the 10th of the month, those teams who are delinquent are not permitted to attend any tournaments till all fees are paid in full.
8. Bounced checks will be presented twice for payment, if they do not clear on the second attempt they will be turned over to the City of Tulsa for prosecution
9. Hardship cases are to be addressed with the treasurer of the team prior to the dues being late for that month. The parent/family must have a payment plan to present to the treasurer. It is up to the treasurer to accept or modify this plan. If an agreement between the team treasurer and the parent/player can’t be reached the matter will be brought before the board. No hardship situations will be allowed for the month if they were not addressed prior to the 5th of the month when due was due.
10. As a last resort for nonpayment of dues the player/family name will be given to Oklahoma Soccer Association as delinquent in dues and will not be released from Oklahoma Energy FC until all back dues are paid in full.
11. Scholarship assistance is available on an individual basis. Additional funds for assistance will need to be raised by the team or the fees covered by the team.
12. You are Financially committed to the Team for the year (12 Months dues) before Oklahoma Energy FC releases you with a OSA Player Release Form signed by EDOC.
13. Approval of Scholarship assistance mandates the player is committed to the club for the entire seasonal year, will participate in all games, practices, scrimmages, and team activities, unless school or religious events conflict. Additionally, the player will participate in all team fundraisers. Our monthly training fees are a one time fee, that we give our families the option to payout over 12 months. **Player will owe the full amount of the scholarship if player quits, or seeks a release from the club before the seasonal year is complete.**
