

San Ramon Valley Little League 2018 Postseason Commitment & Application

Playing Postseason baseball for SRVLL is a privilege. Players selected for the District “All-Star” Team are generally the top players in the league as voted on by their teammates, their peers, and the league managers.

The decision to represent SRVLL in either the District or Tournament team, is a significant commitment for both players and their families. The District teams will compete at the highest levels and therefore managers will be trying to field the most competitive team possible in each game. Playing time will be commensurate with skill level and commitment. Families who choose to participate in the District teams must understand this. Additionally, the roster spots are limited, so it's critical that all parents are transparent with their child's schedule and availability on the application. District team players are expected to be available 100% of the Postseason. SRVLL Tournament teams are also competing to win. However, rosters are a bit larger and allow for much more summer schedule flexibility.

In order to be eligible to participate on a District Team, players must participate in 60% of regular season games and practices. To be considered, please complete and return this SRVLL registration form.

For additional information on team formation, please see the SRVLL Team Formation overview.
