

Information about soccer events:

1. **Scrimmage:** The Scrimmage will be held on August 18th. Players should be at the back high school field by 9:00 a.m. The scrimmage helps the coaches evaluate the players for their initial assignment on one of the school's team: Varsity, Junior Varsity, and JVII teams. In the past we have had 1-2 other high school teams join us for the scrimmage. After the scrimmage, the Booster Club will be serving hotdogs, chips, and drinks. We will need volunteers to help grill, run the food line, setup and tear down.
2. **Uniform Pick-up:** August 20th, time: TBD. Team uniforms will be handed, then practice will be held afterwards.
3. **Picture Day:** August 21st – Players need to be at Varsity soccer field at 1:30 p.m. for Team pictures. David Banks Studio will be taking pictures of players at 2:00 p.m. After pictures there will be a light practice followed by a **family potluck picnic**.
4. **Parent/Guardian Night:** September 18th at the 7:00 p.m. Varsity home game. An evening of fun in appreciation for all the support parents and guardians have given over the years. Athletes and their parent(s) or guardian(s) will walk out onto the field and be announced at the home game, have their picture taken, and receive a flower and card from their athlete.
5. **Youth Day:** September 22nd at the 11:00 a.m. Varsity home game. Youth soccer players will line up with the Varsity players before the game. There will be door prizes, half time small sided games for the youth players, treats and much more!
6. **Senior Night:** October 2nd at Varsity home game – 7:00 p.m. A special night to honor the seniors and all they have contributed to the program. Seniors will walk out onto the field and be announced at the Varsity game during halftime. Cake will be served after the game.
7. **Soccer Banquet:** November 6th at the Refuge Golf Course. Time: TBD. Parents and players please join us in celebrating the soccer season and to recognize the athletes for all they have accomplished.

Parents and athletes: Please sign-up for TeamSnap – this will be our main source of communication.

Another great resource for information about the St. Francis Boys Soccer Program is: www.sfsaintsforsoccer.org . You will find handout forms from the Kick-off, information about summer strength training and conditioning, Booster Club meeting minutes and upcoming meeting dates, photos, how to watch games on HUDL, volunteer opportunities, links to Mississippi 8 Conference (game schedules) and much more.

The Booster Club is looking forward to another amazing season of soccer. If you are interested in hearing more about the Booster Club and how you can support the coaches, players, and the club please contact Sue Hage at suehage@aol.com or Jean Russum at jrussum-4@comcast.net
