

## District #3 Tournament Rules and Guidelines 2020

- Teams should arrive at the field minimum of 45 minutes before scheduled start time. You must bring your rosters and pitching affidavit to scorer or D3 representative when you arrive.
- Teams will adhere to social distancing guidelines that are in place at game sites.
- 30 minutes prior to scheduled start time, the visiting team will take 10 minutes of infield/outfield
- 20 minutes prior to scheduled start time, the home team will take 10 minutes of infield/outfield
- 10 minutes prior to scheduled start time; both teams should be ready to start the game after field prep and announcing.
- Little League Tournament Rules will be followed at all games. Please familiarize yourself with these rules. They can be found at [www.littleleague.org](http://www.littleleague.org) (local rules do not apply)
- One coin flip will decide the home/away for that game. Home team will take the first base dugout and visitors will take the third base dugout. The team traveling the furthest will call the flip.
- All umpires are considered neutral
- Assume all games are on as scheduled unless you hear from a District Representative.

- In case of cancellations, the game will be made up on the next day or the first available slot. (The location and time may change) The ADA on site will inform you.
- Teams are to supply and use their own game balls. (We suggest 1 dozen per game)
- The host league will reimburse each umpire \$35.00 for expenses. Some games will have only one umpire. This fee will be \$52.50
- All protests will be handled immediately. (Only rule interpretations can be protested. Judgment calls can't be protested)
- Make sure you pick up your rosters and pitching affidavit after your game is finished.
- Please text 203-209-6137 after the game with results and I will update the brackets posted on our website at: [www.ctdistrict3.org](http://www.ctdistrict3.org)
- And here is the most important rule... HAVE FUN!
