

# Initiation Program

## SUMMER 2017 *at the Sport Stable*

### 8U, 10U & 12U Age Groups Welcome

The purpose of this program is to help prepare your son or daughter to make the transition from Learn-To-Play Hockey to playing on a Boulder Hockey Club team. This program will benefit your child by developing their hockey skills with more in-depth practices, preparing them for the 8U, 10U or 12U BHC Ice hockey season.

Practices focus on skill development and include:

- Skating Mechanics
- Puck Control
- Passing & Shooting

The program also explores game situations and concepts allowing your young hockey player to learn skating and puck skills in a game setting. It's crucial for young hockey players to learn how to play with and without the puck.
