<a href="#">Grade 7 Upgrade Course</a> This course is intended for grade 8 referees who wish to upgrade. The course consists of online modules as well as a classroom session. Note that in addition to completing the course, a referee must meet age and experience requirements, including the submission of an approved game experience record.		1
<a href="#">Grade 8 Entry Level Referee Course</a> The grade 8 course is the typical entry level course for most new referees. A grade 8 referee is qualified to work any youth matches, as appropriate to the referee's age and experience level. The grade 8 course involves completion of online modules on the Laws of the Game, an online module on concussion training, and approximately 12 hours of classroom/field training sessions, as well as the completion of a written test.		11

**Lsareferees.GameOfficials.net** is a complete Course Management and Registration system for United States Soccer Federation registrations. This system allows state associations to easily manage the entire process of registering Referees, Assessors, Assignors, and Instructors with USSF. We can help you greatly simplify course setup, course registration / payment, assignment of instructors, and post-course management. Best of all, there is no need to mail in registration forms to USSF. Individual registration entries will be sent electronically in a USSF approved format.

In addition to our Course Management and Registration system, we also offer a complete online assigning solution for virtually any team sport - designed for all levels of assigning (including recreational, amateur, high school, collegiate, intramural, and more). It was specifically written for Soccer, Baseball, Softball, Football, Basketball, Volleyball, and Hockey, but can easily be adapted for use by other team sports as well. [Click here](#) for information about a *faster, easier, smarter* way to assign games.
