## CAMP DETAILS

NPHA preseason camp is set up to get your son/ daughter on the ice with fellow NPHA players and prepare for the upcoming season.

### Ice Time

Each session is 60-75 minutes and will include a session focus, including skating, stickhandling/shooting and small area games.

### Skating

No matter how good your youth player is they need to continue working on skating and stride development. Fall is a great time to review and work on fundamental skating skills.

### Stickhandling/Shooting

Develop stick handling, passing, and shooting skills that will give your player the confidence needed to start the season off on the right foot!

### Small Area Games

Small area games focus on 1 v 1 battle skills, playing in a small area with quick puck transitions and fast decision making skills needed by today's players.

## CAMP LEADERS

These former hockey players and coaches will get your player up to speed before tryouts!
