

Player Injured at Practice or Game

- Team Manager (TM) communicates with the family regarding the severity of injury
- TM emails [Safety Coordinator](#) and [Registrar](#) with update
- Safety Coordinator will assist with and/or provide necessary [USA Hockey medical insurance forms](#) as needed. ([Tips for filing a claim](#))

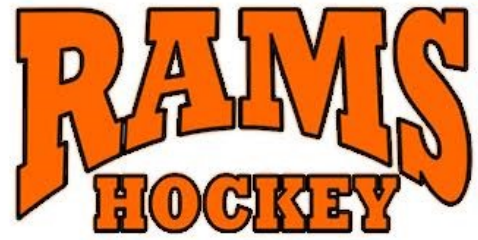

Documentation of Incident

- Coach who witnessed the incident documents Who, What, When (date and time), Where, How ([Incident Report](#))
- Gives document to Head Coach to review and send to [Safety Coordinator](#) and [Registrar](#)

Player Returns to Play

- Determined by parents of player
- RAMS Coaching Staff cannot determine when a player is cleared nor provide any medical advice
- Parent(s) give return date to TM and/or Coach in writing (paper or email)
- TM/Coach scan or send picture of return date to [Safety Coordinator](#) and [Registrar](#)
- Coach has responsibility to sit a player out if s/he suspects player is not ready to return

Return to Play Procedure

Player Non Concussion
