

Huntington Beach High School Aquatics Booster Club

On behalf of the Huntington Beach High School Aquatics Booster Club, welcome to the 2017 HB High School Aquatics Season. To all our returning Athletes and Parents, we are excited to see you again and thank you for all your continued support and dedication. To our new incoming Athletes and Parents, we extend a special welcome to the HBHS Aquatics Family!

The Aquatic season is off to a great start with the summer sessions for all three programs already half way done. We can be proud of our coaches and their dedication to our Athletes. Let's keep up the support and whenever possible lend a helping hand.

The first day of school is August 30th and we will be ready for Boys Water Polo to start and Girls Water Polo preseason will kick into high gear. Also, for Boys Water Polo your Coach / Parent Team Meeting is Scheduled for **August 25th at 7pm at HBHS.**

The coaches will be sending out some important emails in the next few weeks, but until then, here is some important information to help everyone get ready for Aug. 30th.

First, I ask all Athletes/Parents to register on the Aquatics Booster website at www.oilersabc.com. In the upper right corner there is a "log in", this will lead you to "Sportsengine", please create your account and contact information. The OilersABC website will be your vital link to all things HBHS Aquatics. The website will have all the practice schedules, calendars, coach contact info, Athlete profile, pictures, Fundraising, sponsorship opportunities, Aquatic Board contact information and agenda / minutes.

Second, once logged into the website it is time to check out the Gear Store – this is your official site for ordering your HBHS required clothing and suits. The gear store opens before each season and sizing for gear will take place on the pool deck for our Athletes. Currently we are open to ordering Boys Water Polo Gear and general spirit ware. **BOYS WATER POLO – IT IS TIME TO ORDER!!!** Store closes and orders go in by July 19th. Girls Water Polo, be ready; your sizing days will be during the first month of school, Swim Team your sizing days will be at the end of the fall quarter.

Third, we would like to invite all Parents and Athletes to attend our Aquatic Board Meetings; you are ALL welcome. Remember, we work for you and your Athlete – our mission is to facilitate and enhance the Aquatics Programs. Our next meeting will be August 14th in the student center at 7pm.

Fourth, if you are the parent of an incoming freshman or a transferring student and have questions, are not sure what to do, or just confused with the fast pace of High School, give us a call. You are now part of the HBHS Aquatics Family and we are here to help you.

A few great events coming up right away – July 14th, Water Polo Tournament for Boys and Girls – the top 48 schools will be competing and it is a great preseason opener, and best of all our HBHS pool is a host site. This is our first Fundraiser of the year and always helps kick off the season. Please visit the website and sign up to help out or donate some snack bar supplies.

That's all for now. As always if you have any questions, visit our website or give us a call.

Respectfully,

Jason Pyle
President, HBHSABC
Go Oilers!!!!
