TAKEAWAYS

Brace Yourself

Bethlehem Steel FC forward Cory Burke tallied the second multi-goal performance in club history last weekend, netting two goals at Pittsburgh. Burke joins teammate Seku Conneh as the only scorers to accomplish the feat. Burke's tallies, raise the Jamaican internationals goal total to five for 2017 and nine over the past two seasons. His nine goals also tie Conneh for most in club history.

Edu Returns To The Pitch

Philadelphia Union midfielder Maurice Edu return to the MLS has included two stops with Steel FC in 2017. Edu made his 2017 debut with Steel FC against Louisville City FC, where he played 32 minutes, completing all 17 of his passes. Last weekend against Pittsburgh, the 32-year-old played the first half, competing 90 percent of passes. Edu has been recovering from a left tibia stress fracture that has kept him off the field during the 2016 and 2017 MLS seasons.

Playoff Push Continues

Entering this weekend, Steel FC finds itself in the final position in the USL Eastern Conference Table, with 33 points through 24 contests. The club finds itself in the midst of a tight battle, as six points seperates fifth place and tenth. Steel FC has an advantage, holding a match in hand against all the clubs below them fighting to make the playoffs. This week the club continues a crucial road swing, facing off against sixth-placed Orlando City B, who sports an 11-game unbeaten streak.

STEEL FC CONCLUDES AUGUST WITH ORLANDO CITY B

Bethlehem Steel FC will be looking to wrap up August with a rebound victory against fellow MLS-affiliate, Orlando City B on Thursday evening. The trip will be Steel FC's first visit to the new Orlando City Stadium and comes at a crucial time for Steel FC. After pushing into the playoff race with an historic eight-match unbeaten streak, Steel FC finds itself fighting to stay above the playoff line as the season enters its final quarter of the campaign.

LAST REGULAR SEASON MEETING:

The two clubs squared off in April, with Orlando City B picking up another 2-0 victory over Steel FC. Despite a strong first from Steel FC that saw the club hold Orlando without a shot on goal, Steel FC was unable to beat goalkeeper Earl Edwards Jr., as the keeper made five saves. Orlando made the most of their chances as Richie Laryea, the No. 7 overall section in 2016 MLS SuperDraft, netted a brace to that allowed the visitors to claim all three points.

STEEL FC GOING GOLD

When Bethlehem Steel FC return to Goodman Stadium on Saturday, September 9, to host USL-newcomer Tampa Bay Rowdies, more than soccer will be in the spotlight. This morning, the club has announced that Steel FC has teamed up with the Pediatric Cancer Foundation of the Lehigh Valley with numerous ways fans can support the effort.

For the match, Steel FC will wear special gold warmups prior to kickoff and gold armbands for the entirety of the match. During the match, fans will be able to bid on the warmups and armbands through a silent auction held on the concourse. All auctioned items will be signed by the players following the match. The auction will begin when the gates open at 4 p.m. and run until the 70th minute of play. All payments must take place at the match with fans able to pay with cash or credit cards.

Steel FC will also honor those who lost their fight to pediatric cancer while celebrating those who are fighting cancer. The club will be escorted onto the field with children from PCFLV and those participants will compete in the halftime mini games at Goodman Stadium.

The Pediatric Cancer Foundation of the Lehigh Valley is dedicated to supporting quality-of-life for children diagnosed with cancer in the greater Lehigh Valley and their families, as well as long-term survivorship and bereavement programs. All of the programming and events are offered at no cost to these families. The Foundation believes that a pediatric cancer diagnosis affects the WHOLE family, and their mission reflects that belief. They also believe that a family's experience with childhood cancer does not end when treatment ends. Because of that, PCFLV follows a continuum of care model, hoping to be a friend to families from the date their child is diagnosed forever forward.
