Ross Hjelseth
UPS Head Coach

Head Coach Ross Hjelseth gears up for his fifth year in charge of the Loggers bringing a 23-13 record into the 1989 season. He has elevated the University of Puget Sound program to one of the top spots in the Columbia Football Association. In 1987, the Loggers ranked 17th in the final NAIA poll.

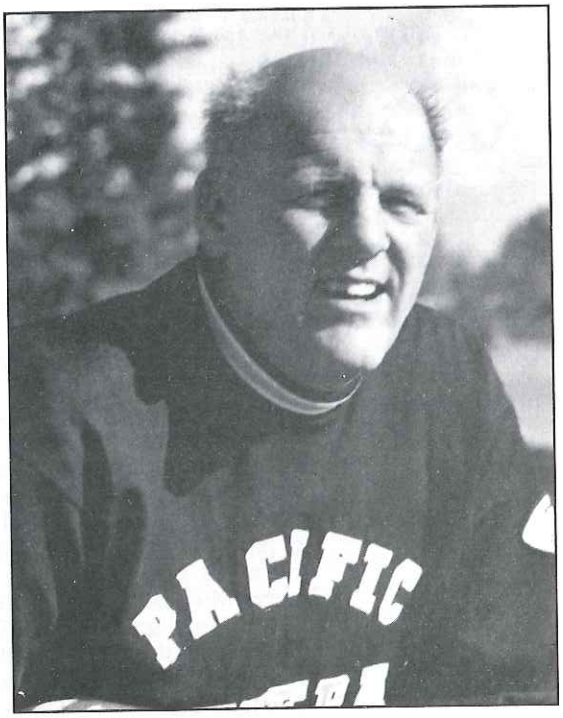

Hjelseth is committed to football at UPS and also serves the sport in other capacities. The former Past-President of the Columbia Football League is on the NAIA schola.-athlete committee and the NAIA Division II rating committee.

Hjelseth feels very strongly that UPS players need to keep athletics and academics in perspective. "Win or lose on Saturday, go to class Monday," says Hjelseth. "True gratification in coaching comes from seeing 18-year-olds develop into 22-year-olds with a college degree and become impact players in our society for a lifetime. This is the true measure of the student athlete. We are fortunate to have an outstanding staff which has been together over the four years that I have been here as head coach."

Hjelseth has certainly made an impact on the Logger athletic program upon his arrival from North Dakota State in 1985. During his tenure at NDSU, the Bison were 45-7 and participated in the NCAA Division II finals three of the four years. winning the title in 1983. Hjelseth graduated from Mayville State (N.D.) in 1973.

Ross and wife, Ronni, have two sons, Brandon and Tyler.

Frosty Westering
PLU Head Coach

Forrest "Frosty" Westering, who directed Lute gridders to their second NAIA Division II national football title in 1987, begins his 18th season at the Pacific Lutheran University helm as the winningest coach in Lute football history with 134 career victories.

Westering, 61 arrived at PLU in 1972 after successful coaching stops at Parson College (IA) and Lea College (MN). Since his arrival at PLU, no Lute team has lost more than four games in a season. He has guided Lute gridders to the playoffs in eight of the past 10 seasons and his overall PLU record is a staggering 134-37-2 (78.3 percent).

He is the winningest active NAIA Division II coach in the country with 171 career victories and has coached 18 First Team NAIA All-Americans.

Victories and successes, however, are by-products of his overall coaching philosophy. His PHD (Pride, Hustle, Desire) style of football emphasizes a double-win theme: victory on the scoreboard and satisfaction of playing one's personal potential.

A full professor with a doctorate in education, Westering specializes in sports motivation and sports psychology and is in high demand as a speaker at regional and national gatherings. He also is a very active member of the Fellowship of Christian Athletes.

Pacific Lutheran Football:

Lutes Aim at 20th Consecutive Winning Season

Some things just happen. Birds fly. Fish swim. The sun sets in the west. And Pacific Lutheran enjoys another winning football season.

Lute head-man **FROSTY WESTERING**, the winningest active NAIA Division II coach in the nation (178-63-4), begins his 18th season at the Lute helm with more than just PLU's ninth national playoff appearance in 11 years at stake.

Armed with 44 returning lettermen (23 on offense, 21 on defense) and 15 starters (9 offense, 6 defense), PLU will take aim at its 20th consecutive winning season and all-time win number 300. PLU enters 1989 with a 294-194-29 (.597) all-time ledger.

Offensively, PLU appears even stronger than last year's unit that averaged 399.6 yards a game, second best in the CFA. Quarterback **CRAIG KUPP** has the size, strength, arm, and speed for the Lutes' patented Big Play and should benefit from a year's experience. Kupp connected on 109 of 204 aerials last year for 1,418 yards and 16 TD's. **PAUL FINLEY** and **ERIC KURLE** are both capable back-ups.

Book-end tight ends **MIKE WELK** and **JOHN GRADWOHL** are both dandy receivers. Welk had a school-record 62 grabs as a frosh and 29 in 1988. Gradwohl hauled in 28 passes for 424 yards and five TD's in 1988. Humboldt State transfer **DOUG BURTON** could also see duty, along with red-shirt frosh **MARK EAGER**.

Running backs **JARED SENN, CHRIS HAVEL** and **MIKE KIM** collectively averaged 5.1 yards a pop last year and will run behind a fully intact and even stronger offensive line. Senn was the lone backfield starter last season.

TOM BOMAR returns at center and is flanked by guards **JON EDMONDS** and **MARK HODSON**. Tackles **JOHN HELLER** and **JOHN SKIBIEL** also return. **BILL PUBOLS** could also see duty at guard.

Defensively, the Lutes have to replace three of four linemen, including 1st Team All-America defensive end Jon Kral, the CFA's 1988 Defensive MVP. **RUSTY EKLUND, GUY KOVACS** and **BRUCE SCHMIDT** head a hard-hitting, talented, linebacking corps.

End **DAN WIERSMA** is the lone returnee on the defensive front. Pencil-in **JOHN FALAVOLITO** at one of the tackle positions. **DARIN DOLLEORE** and Cal Lutheran transfer **JEFF HARDY** look good at the other tackle slot. **FRANK JOHNSON** and **KEN FAGAN** will vie for the other end spot.

Half the secondary is lost to graduation, but talent there runs deep. **MICHAEL CHENEY** and **BRIAN LARSON** anchor the defensive backfield. Cheney was a corner back in 1988, but may roam at strong safety this season. Larson intercepted five passes last year and doubles as a dandy special teams performer.

RUSTY FRISCH, PETER GRADWOHL and Yakima Valley CC transfer **RICHARD ANDERSON** are but a few of a handful of players who could step in and fill the vacant corner and safety spots.

Kicking duties fall on **ERIC CULTUM**, who has connected on 93 of 96 PATs and 22 of 36 FGs over the past two years. Frisch will likely handle the punting chores.

DR. DAVID OLSON
Athletic Director

Dr. David Olson, who completed his 21st year of service to PLU last June, has been a major factor in the growth of PLU's athletic program over the years.

Athletic Director and Dean of the School of Physical Education, Olson is past president of the NAIA and the current president of the United States Collegiate Sports Council. He is an adjunct professor with the Management Training Institute of the American Alliance of Health, Physical Education, Recreation and Dance, and is an internationally-recognized spokesman for amateur sports.
