

SIDNER ICE ARENA SCHILKE GRANT PROGRAM

The Fremont Family YMCA Sidner Ice Arena in conjunction with the Fremont Ice Association has established a grant program for Fremont area youth in need of financial support in continuing their ice endeavors. The Schilke Grant Program is for any youth under the age of 18 living in the Fremont area community and who is a member of the Fremont Family YMCA and the Fremont Ice Association. Grants may be given for any ice skating/hockey activity. The youth's principle skating activities must have occurred at the Sidner Ice Arena and must continue at the Sidner Ice Arena during the year of distribution. All applicants will be submitted to the Sidner Ice Arena and their needs will be determined.

In determining recipients and amounts, the committee will consider the following:

- A. Demonstrated interest in ice skating/hockey;
- B. Plan for future ice skating/hockey;
- C. Financial need;
- D. Proposed expenditures for skating in the next year;
- E. Volunteer services offered.

Distribution of the grant will be made by payment to the Fremont Family YMCA Sidner Ice Arena in the total amount of grants determined by the Sidner Ice Arena. Payment made will be credited to an account for each recipient and payments made to the Sidner Ice Arena. No payment will be made directly to the individual recipient.

Any youth or parent/guardian of a youth that meets the above qualifications may stop into the Sidner Ice Arena to fill out an application. The application will then be given to the Sidner Ice Arena for approval. All applicants will be held in confidence by the selection committee.
