Etowah Lacrosse 2019 Sponsorship Plan

Please accept this invitation to sponsor Etowah Lacrosse. The proceeds from sponsorships support our Varsity, JV and Junior lacrosse programs.

Lacrosse is the fastest growing sport among high school students in the country and our Etowah teams are working toward being one of the top programs in Georgia. The Varsity boys made it to the State Final Four in 2013, and the 2015, 2016, 2018 State Playoffs..

This is a great opportunity for local community businesses to receive exposure and help support a worthy cause. As a participating sponsor, you will receive
