There is an option when registering the team to indicate the intent to participate in SHSAA playoffs. A school should register a school representative team before selecting any other Grade 9 - 12 options (Junior Varsity, Blue, Green, "B", Developmental, etc.)
 - 2. In schools where multiple teams exist in a specific gender activity but there is no option to select multiple teams, all students in grades 9 - 12 that will be representing the school should be listed on the one E-5 created for that activity.

If a student does not appear, they can be added using the options shown at the bottom of the eligibility form. If an attempt to enter a student is not accepted, please contact the SHSAA office as this would indicate an eligibility or transfer issue.
