State Chairperson Welcome Letter

September 12, 2019

I am extremely humbled and honored to accept the position of the State Chairperson of the Indiana State Wrestling Association. I have been part of the ISWA since 1992 and on the Board of Directors since 2009. This organization spends countless hours trying to enhance the wrestling community of our State.

Our clubs, coaches, wrestlers, and volunteers are truly the backbone of our organization. We want to continue on the path of developing our wrestlers at all levels to ensure the wrestling excellence. Our Mission statement is: USA Wrestling, guided by the Olympic Spirit, provides quality opportunities for its members to achieve their full human and athletic potential.

It is all of us working together to achieve the maximum potential in each athlete. We have to start with our Clubs and Wrestling Leaders, who build and recruit our wrestlers. The development of the wrestlers is accomplished by the programs, clinics, trips, Regional Training Centers and tournaments we are able to offer them. Our wrestlers will continue to take Team Indiana to the podium on all of our National trips. It is our aspiration that these wrestlers will continue wrestling in college/international levels.

I am very appreciative of the many people who have reached out with ideas, thoughts, suggestions and concerns. In order to open up communication, we are in the process of setting up meetings for the Clubs in each Section.

It will be exciting to expand middle school and girls wrestling, along with Freestyle and Greco. Our intent is to enable more wrestlers to be able to participate on our national trips.

As one of our past State Chairman used to say, "Do it for the kids!"

"Do it for the kids",

Pat Culp
State Chairperson
