

EAST GRAND FORKS BLUE LINE CLUB 2017-2018 MEMBERSHIP

The EGF Blue Line Club was organized in May 1972. The BLC has been essential in helping to promote our very successful youth hockey program. Throughout the years, the BLC has helped provide hockey equipment such as helmets, gloves, sticks, breezers, goalie equipment, etc., tournament fees, trophies, medals, jerseys, coaches, referees, and trainer expenses. In addition, we also help with other organizations and activities including Wolfridge, After Prom, and After Graduation parties, scholarships, and other youth activities. Our goal continues to be to give our youth opportunity to practice and play hockey in adequate facilities, with quality ice time. Your membership in the EGF Blue Line Club is very important now more than ever, with the costs and cuts of activities at all levels. Not to mention this is the BLC's 46th year in existence. If you have any questions, concerns, or suggestions please contact the Board Members listed below, or attend our monthly meeting on the 3rd Wednesdays of the month @ 7:30 pm.
