

# **Ely Blue Line Club**

## **Travel Policy**

A portion of Ely Blue Line participation includes travel for youth teams to games and tournaments. Our travel policy outlines expectations of all participants and families while traveling according to SafeSport and USA Hockey.

Parents are responsible for travel arrangements for their player. It is not the responsibility of the team or Ely Blue Line to make any travel arrangements for players. Each family has the responsibility to coordinate accommodations for their player. USA SafeSport recommends parents verify that the driver of their child has a valid driver's license, automobile liability insurance and a vehicle in safe working order.
