

PARENT/PLAYER AGREEMENT

2019–2020

General Information

Please read this information and then both player and parent need to sign, date and return the Team Agreement (last 3 pages) to your team's head coach. **In addition to the Team Agreement, please submit a copy of your birth certificate.** Please read the following guidelines that the New England Force softball organization expects its players and parents to follow. In an effort to clearly define what is expected from each player, parent, and coach the following guidelines have been developed. The New England Force reserves the right to amend these guidelines at any time with or without prior notice to players and parents.

Active Players

When an individual is chosen to be a member of the New England Force softball team, the individual becomes an Active Player once the Team Agreement is signed and submitted to the head coach. Active Players are not allowed to practice or play for any other team (except for their school teams) without prior approval from the Head Coach. When we schedule time off, that time should be used for the sole purpose of giving our athletes time to rest and recover from the grueling softball schedule. If a New England Force athlete is found practicing or playing for another travel ball team without prior approval from the Head Coach, the individual will be immediately terminated from the team, forfeiting all funds and fees paid to the organization.

New England Force Parent, Family, Fans Code of Conduct Agreement

"This applies to all family members – (i.e., grandmothers, cousins, dad, etc.)"

I understand that travel softball is a highly competitive sport and there are no guarantees as to the amount of playing time or position that my daughter will play during games. I am aware that the team has limited membership, and as such that my daughter's participation is crucial in maintaining the high standards of play the team is working to attain. The objective of the New England Force softball organization is to provide your child with a wholesome atmosphere in which to engage in healthy athletic competition. Another goal of the New England Force is to build character in our young adults. Because of the excitement and high emotion of some of our games, guidelines regarding what the organization expects from parents and their children appear in this agreement and the player's code of conduct. The essential elements of character building and ethics in sports are embodied in the concept of sportsmanship and six core principles: trustworthiness, respect, responsibility, fairness, caring, and good citizenship. Please know that cheering, excitement and exuberance is encouraged, but please be careful and always express this in a positive manner. Even when being vocal in an attempt to help a child, you should avoid acting or saying anything that is demeaning to your child or someone else's. By signing this agreement you understand you are not by yourself in a vacuum when things are said and done at games. Your daughter, the players and parents from both teams observe and hear everything that is said and done. Parent's poor or over-the-top behavior will ruin the experience for others. Parents are welcomed to help at practice. At Games, only the coaches will be allowed in the dugout and/or on the bench. The organization will not tolerate any behavior on the playing field or in the stands which would hinder the spirit of sportsmanship and cooperation that we are trying to encourage.

1. **DO NOT COACH YOUR CHILD FROM THE STANDS.** The coach and player on the field may have specific signs, or prearranged scenarios to ask a player to do something. Do not interfere with that Coach's instruction.
2. Abusive and foul language is not permitted.
3. I will emphasize skill development with my daughter and agree to practice softball on a weekly basis.
4. Conduct of any guests of parents is the responsibility of the parent/guardian whose child will participate on the team.
5. This is an elite travel program. I will do my part to have my player attend all practices, tournaments/ scrimmages, and fundraisers at the designated time. Because the manager and coaches are volunteers, think twice before saying something critical.
6. Reinforce and remind your daughter to honor the player's code of conduct she is bound to uphold.
7. I will make sure my daughter remains in the dugout and/or on the bench when she is not in the game, and to cheer her teammates.
8. I will remember that children participate in sports to have fun and that the game is for youths, not adults.
9. I will inform the coaches of any ailment, injury or physical disability that may affect the safety of the child or the safety of others.
10. I will not openly complain about or, bring up, team issues or my displeasure about other players in front of my daughter, other players or team parents.

11. I will respect the officials and their authority during the games and will never question, discuss, or confront the coaching staff after the game. I will take the time to speak with the coaches at an agreed time or place.
12. I will teach my child to play by the rules and to understand the concept of what it means to be a team player.
13. I will demand that my child treat other players and coaches, officials, and spectators with respect regardless of race, creed, color, ability, or difference of opinion.
14. I will learn the rules and policies of the team, and of the game we play.
15. I will not yell at, criticize, or ridicule my child or any participant for making a mistake or losing a competition.
16. I will reinforce to my child not to ask the coaches during a game, scrimmage, or practice about playing time, batting order placement, starting or substitute status. Should I have any questions concerning specific playing time, positions(s), and/or concerns regarding interest in specific areas of the game, I will discuss this matter with the coaches directly at the appropriate time and place (outside of team events).
17. I will praise my child for competing fairly and trying hard, and make my child feel like a winner. Even after a loss or bad game.
18. I will teach my child to play by the rules and to resolve conflicts without resorting to hostility, verbal abuse, or violence.
19. I will not disrespect the property and equipment used at any sports facility. This includes disposal of trash, restrooms, and parking lot.
20. No alcohol or drug use is allowed at any games, scrimmage, or practice.
21. I will not force my child to play on the team if she does not want to.
22. It is understood that I may withdraw my player from the team at anytime upon written notice to the Head Coach. No fees will be refunded. Any uniforms or equipment must be returned to the organization upon request. Unpaid items ordered prior to withdrawal are forfeited.
