Dear Potential Sponsor,

The Round Rock High School Lady Dragon Basketball Club is raising money to purchase equipment and cover expenses for our program. We strive to assist our coaching staff and teams in having a successful season year after year. Due to the projected budget cuts across RRISD, we are in need of finding more ways to support our high school girls' basketball program.

Each year, the RRHS girls' basketball program has limited funds to cover uniforms, bags, balls, and equipment. The budget does not allow for replacement of equipments that are worn. Therefore, the booster club must raise fund in order to provide our basketball program with the various needs that exceeds the allotted budget. Items purchased, and expenses covered by booster club will be utilized by all three teams: Freshman, Junior Varsity, and Varsity. Some of the items the program anticipates in needing are:

- Basketballs
- Game Day sweats
- Game Day shirts
- Training equipments
- Digital Camera
- Travel expense to out of town tournaments
- Scholarship for eligible seniors

**Gold Level:** With your donation of **\$200**, your company will receive the following:

- Your company name, information and logo will be advertised in form of a continuous slide show on the 90" LCD monitor in the RRHS main gym during all JV/Varsity games.

**Friends & Family:** With your donation of **\$25**, you get to send a shout out to your favorite player. Your message to your player, including the player's picture and your name will be displayed on the 90" LCD monitor during all JV/Varsity games.

Thank you in advance for your consideration. All donations will be greatly appreciated and are tax deductible.
