

MVU Cheerleading Class Attendance Contract

Attendance Policy

As a coach I expect all Student Athlete's on the cheerleading team to be **on time to and attend every class period** of every academic course you are enrolled. Chronic tardy's or UNX absences from school or class will effect your eligibility to participate in the current season.

If a student has more the three UNX absences or three UNX tardies we will discuss your involvement in the next upcoming athletic event (i.e. Game, Pep Rally, and/or Competition etc).

I, _____ understand and agree to uphold the attendance policy as stated above.
