2018 Orangecrest JAAF Board of Director Nominations

Individuals, who are interested in volunteering on the board, may nominate themselves or agree to be nominated by completing the attached form. Note that when you agree to be on the board, you are not “running” or “campaigning” for a particular position, but rather to be nominated to the board and then be appointed to a position or as a member-at-large. All nominations must be in writing, handed in to the Secretary, or scanned and emailed to ocwsecretary@gmail.com by **8:00 PM on November 6, 2017**.

As outlined in the SCJAAF and OC By-laws, the President, Commissioner, and the Executive Council will then appoint the positions based on the needs of the organization and whatever information is provided. On the day of the election, one representative per participant will be allowed to vote.

The Voting will take place from 6:00-8:00 PM on Thursday November 9, 2017, at Orange Terrace Park picnic benches.

Please consider the expectations for board members....
