### **ABOUT PRACTICE & PLAY PROGRAM (P3)**

P3 is designed to give children of all skill levels a fun and exciting environment to learn and play the game of soccer. Classes consist of age appropriate drills and activities that will cover all aspects of the game, while also including player development. Staff coaches bring structure, organization, and supervision to each session.

Each week participants focus on practicing specific skills, fundamentals & game like situations. From there, they will have an opportunity to utilize the skills just taught, and play in a controlled scrimmage. When registering, please put "FWYSA player" in the comment section of registration.
