

Redlands Baseball Families:

We are excited to announce we have formed a partnership with a national provider of youth baseball camps called U.S. Baseball Academy. This partnership will be a fundraising opportunity for the league but also a chance for our league members to improve their skills before next season. Additionally, our league members will save money on their total registration fee through this partnership. Their four week program in Redlands runs once a week and begins on Sunday, January 7 at Redlands HS. The program will be directed by Estevan Valencia and staff.

With this partnership, U.S. Baseball Academy has agreed to give our league \$10 for every registration from our league. In addition, U.S Baseball Academy has agreed to give each of our league members a \$10 discount for each registration, up to \$30 if registering for three different skills (hitting, pitching, fielding, and catching is offered). U.S. Baseball Academy classes feature a low player to coach ratio and are available for players in grades 1-12.

To register for a U.S. Baseball Academy session, please fill out the form on the following page: <http://m.usbaseballacademy.com/redlands-baseball-softball-for-youth-sponsorship/>. Using this form will ensure our league gets credit and you get your discount.

Please direct any questions to U.S. Baseball Academy. You can email them at info@usbbaseballacademy.com or call their office Monday – Friday, 9 am – 4:30 pm.

Thank you,

Andrea
