EAA Hosts Football Championship Games

EAA hosted "Championship Sunday" for the Metro Youth Football League at Skutt Field on October 29th.

Twelve teams, six games, fans, family, friends, and a whole lot of football contributed to an exciting atmosphere. Football Director Ryan Wilke called the day "...surreal. It is amazing to think that we started with one team and now have nineteen teams within our football program. To be hosting the MYFL Championship games with EAA is beyond what Eric [Crouch], Kyle [Crouch], and I had envisioned. This is a truly great moment for EAA and youth football."

Three EAA Teams Battle For First Place

Congratulations to Coach Mike Stemm and the 9U Jr. Antlers as well as Coach Robb Riggs and the 10U Jr. Storm Navy (both teams pictured above) on their CHAMPIONSHIP WINS.

Also, a shout out to Coach Eric Crouch and 8th Grade Jr. Storm White on their RUNNER-UP finish (pictured here). EAA teams saw huge success and improvement across the entire organization. The future is bright for these young football players.

Sports Complex Interest Survey Update

EAA asked for feedback via survey on a proposed sports complex in the Elkhorn area. We thank you for your continued participation, comments and observations. Once again, the engagement throughout the Elkhorn community is impressive.

Executive Director Brian Kaufman and Board President Jason McDonald will continue to assess the need and potential merits of developing a multi-field facility as well as explore funding options while taking into account the results of the survey. Please anticipate more updates to come.

Avoiding "FOOSH" Injuries

Nebraska winters provide a perfect climate for injuries related to slips and falls. Just as predictable as the arrival of snow and ice is the significant increase in fall

related injuries seen at OrthoNebraska. Of these incidents, a majority are classified by what are called "FOOSH" injuries.
