

Rossford Baseball Club

Mission Statement

To provide youth of all ages a baseball program that develops the ideals of good sportsmanship, integrity, character, and pride in the Rossford community through the game of baseball.

Goal

The Rossford Baseball Club will maintain strong communication with community leaders, High School administration, along with the High School coaching staff in an effort to support their common goals. Goals of community pride, developing the next generation of leaders and building a championship level program.

Baseball has the unique ability to apply pressure in those areas inside of those who play it that everyone must learn to deal with; areas of doubt and fear, pride and arrogance. **THE GAME** forces an individual to face those areas personally. Dealing with failure and handling success are cornerstones of playing the game well and can build confidence and understanding in a person. **THE GAME** exposes our flaws that we might face them and set about to be transformed into a better version of ourselves.

Financing

To provide an affordable baseball option for all who wish to participate. Fundraising efforts will be conducted as a source of financial support for the club and its participants. Funds shall be used for the purpose of benefitting the youth of Rossford Baseball.
