Father & Son Development (FSD)

FSD Soccer Camp follows a 6 hour, 3-day format designed to meet the goals of having fun and developing skills of kids and adults.

Each participant will receive individual and group instruction in a fun environment designed to help kids maximize their playing potential. Dads can shake off some rust and learn (or relearn) skills from some of the best coaches available.

“This is a great opportunity to bond with your kids. It’s also an opportunity to learn how to enjoy the game more, have more fun, and at the same time be more successful...”

Residential Camp Location

Camp will be held at the picturesque 300-acre St. Olaf College campus in Northfield, Minnesota. It’s a short 45 minute drive from Minneapolis.
