The All Abilities soccer program offers all children and youth with intellectual and/or physical disabilities, within Simcoe County, the District of Huronia, York Region and the Surrounding Areas, an opportunity to learn and play the great game of soccer.

Our program is fully inclusive, designed and adapted for children with any disability or level of behaviour. Whether they use a wheelchair, walker or wear orthotics, or live with an intellectual, communication (ASD) or developmental disability, we provide support (1:1 as needed) and welcome all on the field.

The Bradford Soccer Club's All Abilities Program is the 1st of its kind in Simcoe County and we are at the forefront of development of not only soccer programs but also physical literacy programming, and recreation/socialization opportunities.

The three pillars of our program are **FUN, FRIENDS, and FITNESS!**
