

## **METRO HOCKEY LEAGUE**

### **PLAYER RULES TEST #2 ANSWERS**

1. b. Being aware of the game situation is always a priority.
2. a. Playing the puck is always a priority.
3. b. Awareness and reacting under control with a team orientation is a positive.
4. a. Focus and commitment to your own preparation is a full-time job.
5. b. Managing the things you can control is a good practice.
6. b. The use of cell phones in the locker room is not permitted at any time. Furthermore, using social media properly, legally and respectfully is in your control. It is your choice to not distribute materials that could contain illicit material – once you send it, you lose that control. A twist on the golden rule, if you wouldn't want your parents to see the post, then don't send it.
